

**SUPERFUND TECHNICAL & ENFORCEMENT BRANCH**  
**Week Ending June 20, 2008**  
**SITE ASSESSMENT TEAM**  
**WEEKLY ACTIVITY REPORT**

**SITE ASSESSMENT**

**Miscellaneous** – Continue to review site assessment reports and discuss recommendations with States. Answered calls from citizens and contractors on Superfund sites. **Turner x6666, Kendrick x2240, Cook x7436, Ofosu x3178**

**Anaconda Bluewater Uranium Mill site** – Participated on a conference call with NMED, EPA Houston Lab and NPL Coordinator to discuss the proposed sampling plan for the site. **Turner x6666**

**Southern Baths Inc., Marion, Arkansas** – Received and approved CLP Projection Request form for this site from ADEQ. Sampling is scheduled for the week of July 7<sup>th</sup>. **Ofosu x3178**

**Leander ISD (Grandview Hills Elementary School), Leander, TX** – Traveled to Leander ISD on June 16, and met with Assistant Superintendent regarding EPA's concerns/suggestions regarding sub-slab contamination and future indoor air sampling. Developed and provided EPA Management with a summary of the June 16 meeting. Participated in a conference call with ATSDR, TDSHS, and TCEQ regarding EPA's comments/suggestions on a draft health consultation regarding indoor air at the new school. Continued to coordinate with LISD in scheduling a meeting with TCEQ, ATSDR, and TDSHS to discuss concerns/suggestions regarding sub-slab contamination and future indoor air sampling. **Kendrick x2240**

**Leo Miller Road Site, Taft, TX** – TCEQ continues its investigation into the release of red mud (a Class II Industrial Waste) along local area roadways. EPA received preliminary analytical results from the samples collected during the week of May 5. Communicated with the contractor regarding the development of the SI report. Developed summary tables for preliminary analytical results for individuals who requested those results. Was copied on several emails regarding citizen complaints of fugitive emissions of dusts from the Sherwin Alumina Plant. **Kendrick x2240**

**Miller Concrete Company, Nowata, OK** – Received Preliminary Assessment Report from ITEC on this site that could impact Cherokee Nation Citizens. **Turner x6666**

## GENERAL/ADMINISTRATIVE
